MICKEY'S

Message

Hi, everyone!

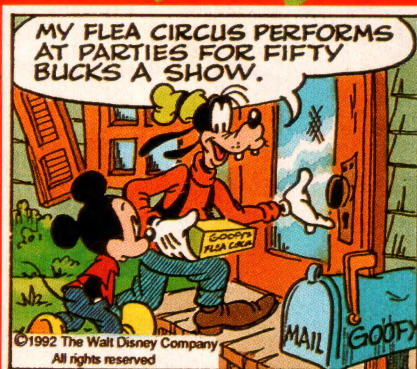

Goofy and I have been very busy building something that we think you'll love! I won't tell you what it is just yet...you'll have to wait and see! First, Donald Duck

has some good news...or, is it?! Enjoy all the fun in this week's issue!

Mickey

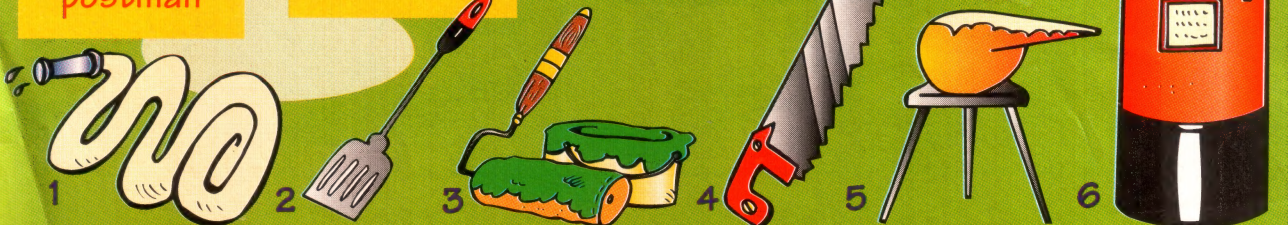

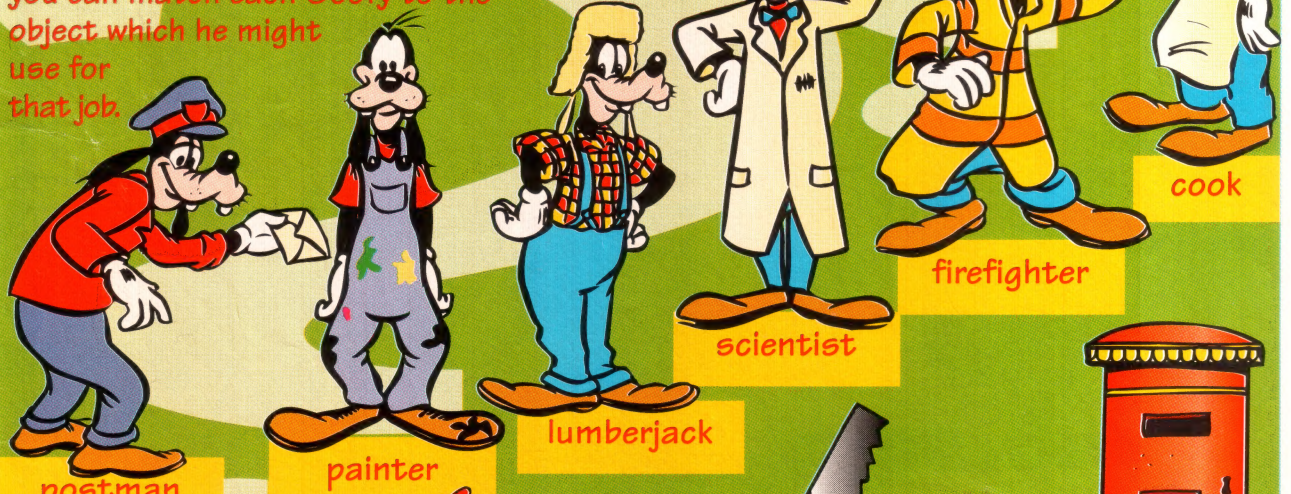

FIRST FUNNY

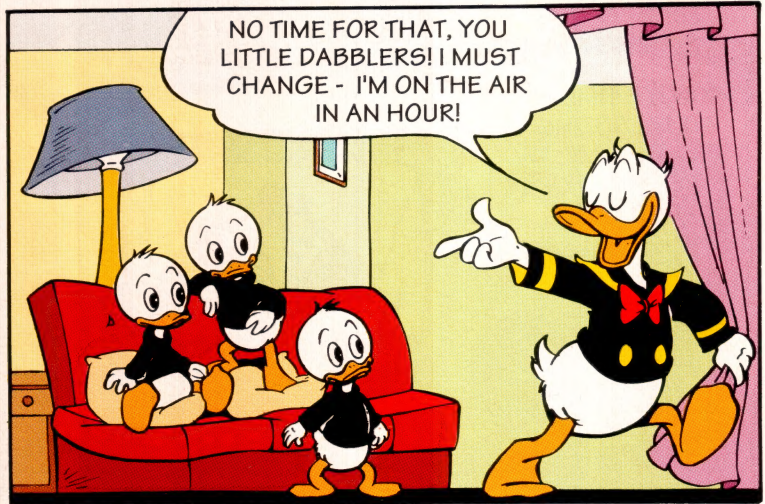

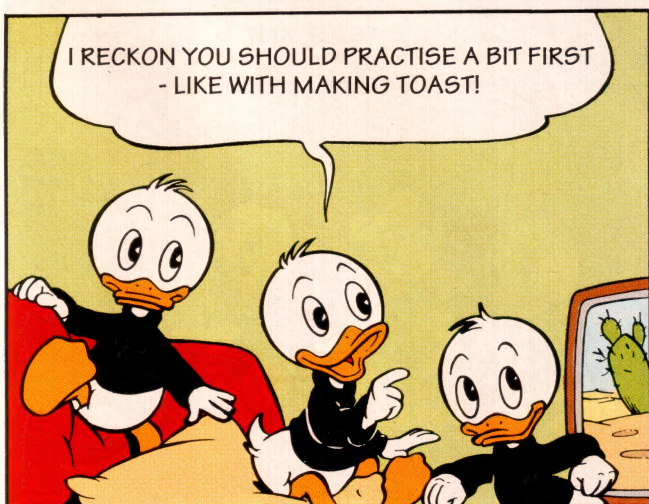

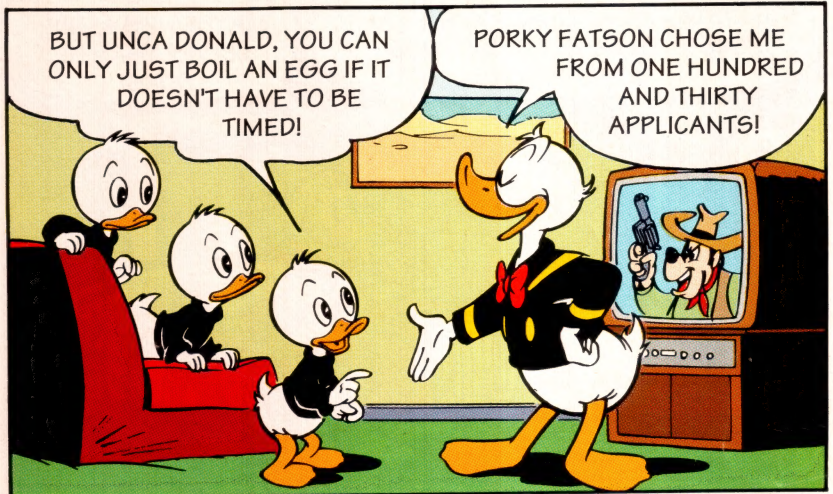

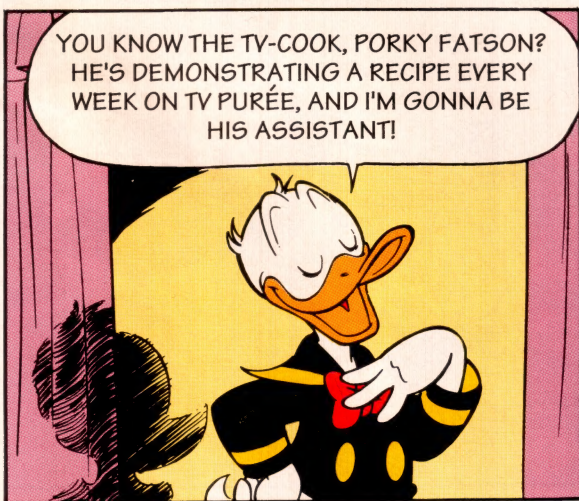

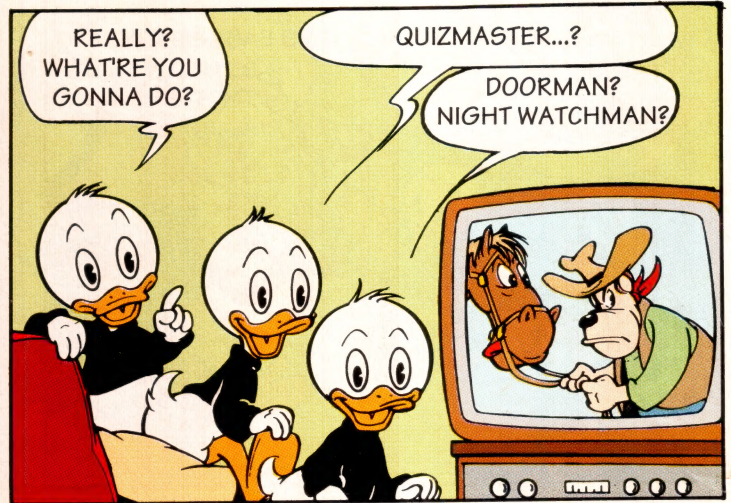

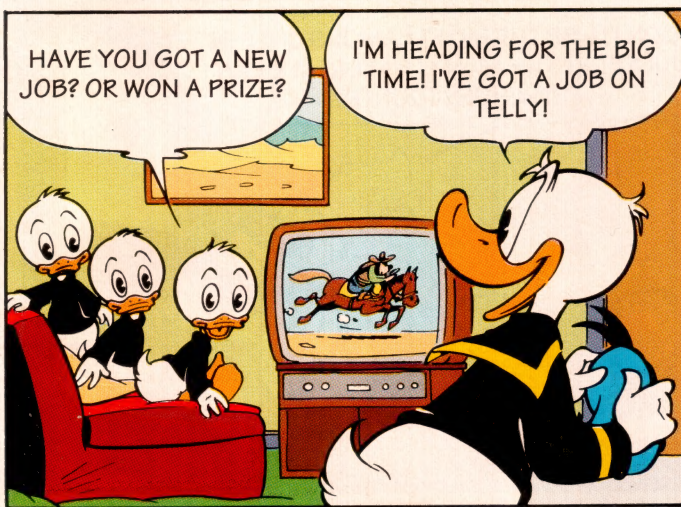

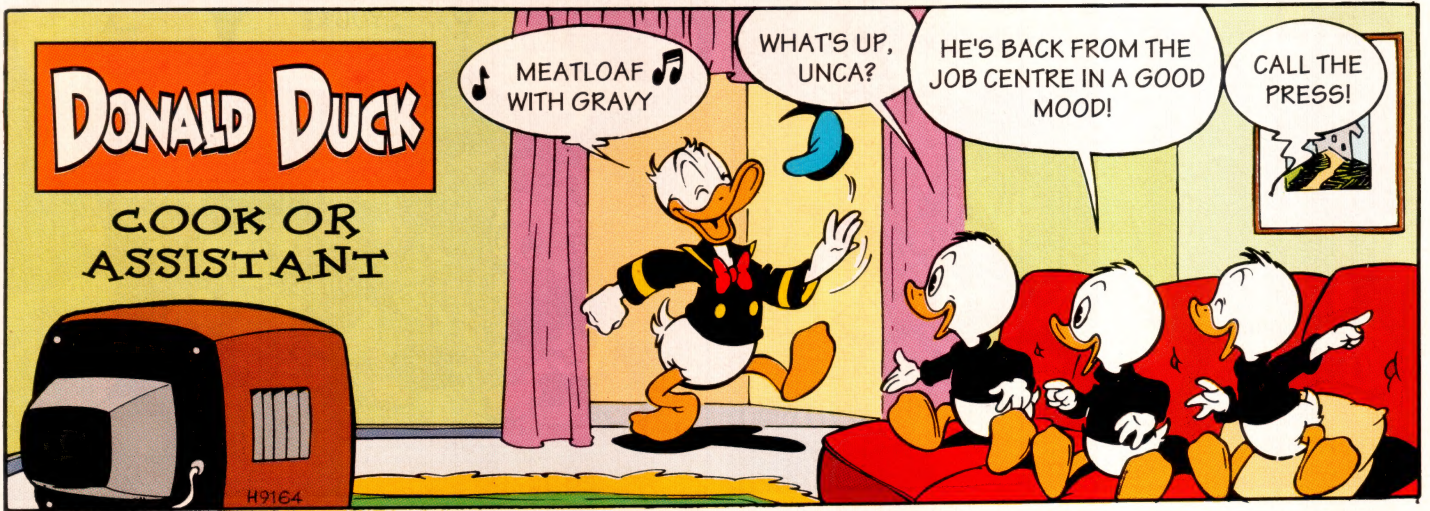

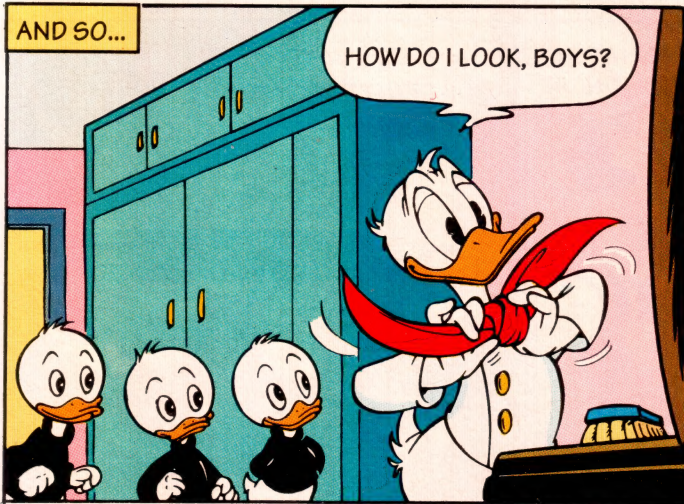

GOOFY JOBS!

Goofy can never decide what job he would like to do! One day he thinks he wants to be a firefighter, and the next day he wants to be a scientist! See if you can match each Goofy to the object which he might use for that job.

With Mickey and friends the fun never ends,
 With cartoons, puzzles and more.
 Launchpad is funny,
 While Scrooge has the money,
 And Donald is still rather poor!
 Magica de Spell is up to no good,
 And always nasty and bad.
 Goofy is stupid and gets things wrong,
 Which drives poor Mickey quite mad!
